IDS PROJECT

Eastern User Group: October 21, 2013

Fulton-Montgomery Community College, Evans Library

2805 New York 67, Johnstown, NY 12095 (10:30am – 4pm)

Agenda for Attendees

10:00 am   **Registration & Coffee**

10:30 am   **Welcome**

Welcome includes housekeeping updates since our All Region meeting in Syracuse as well as the opportunity to share partner updates based on the emails exchanged between partners!

11:00 am   **ILLiad Webpages**

Mentors and IDS Members will share tips and tricks for customizing your ILLiad webpages. Workshops will consist of discussions, hands on opportunities, examples from other libraries, and more. We encourage Systems and IT people to attend with ILL practitioners. This User Group meeting will provide a great chance for communication to flourish!

12:00 pm   **Lunch**
We hear you loved roundtables at lunch! We collected your ideas during registration and will provide conversation starters to make your lunch enjoyable and beneficial!

1:30 pm   **ILLiad Webpages!**

The afternoon will continue with the discussions, hands on opportunities, examples from other libraries, and more. Again, we encourage Systems and IT people to attend with ILL practitioners. This User Group meeting will provide a great chance for communication to flourish!

3:30 pm   **Wrap up**

*Show and Tell – Bring screenshots of a webpage of which you are really proud!
