IDS PROJECT

Eastern User Group: May 1, 2014

Hudson Valley Community College | 10AM – 4PM

Agenda for Attendees

10:00 am   **Registration & Coffee**

10:30 am   **Welcome & Partner Updates**

Welcome includes housekeeping updates as well as the opportunity for partners to touch base with each other. Any updates to share with the group will be reported toward the end of this timeframe.

11:00 am   **Spring Un-Conference**

Members will divide into groups and discuss current issues/ideas occurring within their ILL departments and libraries. Members will help each other brainstorm as well as freely move throughout various groups in order to enhance their engagement with all attending members.

12:00 pm   **Lunch**

1:30 pm   **Site Tour**

Members will tour the hosting library and ILL department!

2:30 pm   **Spring Un-Conference**

Members will divide into groups and discuss current issues/ideas occurring within their ILL departments and libraries. Members will help each other brainstorm as well as freely move throughout various groups in order to enhance their engagement with all attending members.

3:30 pm   **IDS Update & Wrap Up**

An update on new services provided by IDS will be shared including IDS Logic, Online Learning Institute, etc.
